Egg Hunt

If you would like to volunteer to hide Easter Eggs for our egg hunts please sign and return the attached sheet to your child's teacher. Our fourth and fifth grade students will not be doing a traditional egg hunt, so there will be no need for parent volunteers to hide eggs.

Principal's Corner

Parents we are establishing a family engagement team here at Ephesus. This team will be comprised of teachers, parents, and the principal. This team will work together collectively to make decisions in regard to family events, recognition for students, classes for parent to help children grow academically, and much more. After spring break, I will be sending out specific information for this meeting but I would like for you to consider being a part of a team to help create a renewed sense of community between school and home.
